Hi Lily –

Here is the current draft of the letter attachment. It may need to be reorganized after we finalize the cover letter to mirror the structure of the cover letter, but I think it's a good start. I accepted most of the changes because it was getting difficult to read, but kept some of the comments. If you want to see the changes, I can send a compare version, but I think it would be difficult to understand.

Thanks,

Brianna Fairbanks
